AWARDS FOR PHOTOGRAPHIC MERIT

22ND October 2012

To Federation Awards Officers
PAGB Officers & Executive

Dear All,

Awards for Photographic Merit – Audio Visual Braunstone 20th October 2012

Peter Brown, organiser extraordinaire for many years of AV adjudications for the PAGB, ably assisted by the East Midlands Audio Visual Group, ran another, very successful, adjudication for us at the Civic Centre Braunstone, Leicester on Saturday. The Awards Committee do appreciate all the work they do on our behalf and thank them all for their dedication to the task.

As a result the following applicants were successful in achieving an Award:-

Distinction (DPAGB)

Jennifer Gee	Norwich & District PS	East Anglian Federation	Joint Application
Malcolm Gee LRPS	Norwich & District PS	East Anglian Federation	Joint Application

Suzanne Gregory ARPS	Wilmslow Guild Av Group	Lancashire & Cheshire PU	
----------------------	-------------------------	--------------------------	--

Master (MPAGB)

Edgar Gibbs	Gwynfa CC	Welsh Photographic Fed	Joint Application
FRPS, AFIAP-AV			
Linda Gibbs	Gwynfa CC	Welsh Photographic Fed	Joint Application
AFIAP-AV			

We send our congratulations to them all on achieving another milestone in their photographic lives. They had to convince the three assessors of their work for their success and we thank Martin Fry FRPS, APAGB, Keith Brown FRPS, MPAGB, , EFIAP, APAGB and Richard Brown FRPS, EFIAP, APAGB, for doing this for us.

And now to the future.....

We have now entered phase two of the review of the PAGB Awards for Photographic Merit (AV) building on the work of the Standards Committee in defining what would be an acceptable "production" This entails the Awards Committee completing an in depth look at our procedures etc and it is hoped to present our provisional thoughts for consideration to the PAGB Executive in February.

It is very unlikely that we will be in a position to run an Adjudication in Audio Visual in 2013. However I would like to hear from anyone who is interested in applying when our plans have been finalised. There was a great demand/interest when the Standards Committee were carrying out their consultation but this did not translate into Applications for the 2012 event. We have no way of knowing what the demand will be and registering an interest with me could be mutually beneficial.

Best wishes

Leo
